

# Project Connect: Service-Learning Community Partner Survey

*Thank you very much for hosting students from Fairhaven Middle School and Western Washington University for Project Connect 2000. We really appreciate your participation – our project couldn't exist without you!*

*To help us improve the project, we are interested in gaining feedback from our community partners. Please take a few minutes to fill out this brief questionnaire and give it to the adult learning facilitator who comes to your site on May 31st.*

*Thank you,*
