

Picture Moment Scenes

THTR 452: Secondary Theatre Techniques

Instructor: Deb Currier

Group members:

Briefly describe (one sentence) the content of your given picture.

What are these people looking at in the picture? What led up to these people being in this exact picture at this exact moment? Who are they? Where are they?

Briefly describe below:

Script: Now, script out the conversation and/or thought-bubbles for *each* of the characters in the picture the moment the photo was taken. Make sure to find a role for all group members, even if one is silent! Once you have scripted it, rehearse it to share with the class.
